Terms & Conditions

Introduction

These Terms & Conditions ("Terms") constitute a legally binding agreement between UpTime ("the Company," "us," "we," or "our") and you, the user ("you," or "your") regarding your use of the UpTime mobile app ("App"). By downloading, installing, or using the App, you acknowledge that you have read, understood, and fully agree to these Terms. If you disagree with any part of these Terms, please do not use the App.

1. Scope of Service

The App is designed to provide predictive maintenance insights for diesel generators. It collects and analyzes data from sensors installed on the generator and provides alerts, reports, and recommendations for preventive maintenance.

The App is intended for informational and maintenance management purposes only. The Company is not responsible for any damage or losses resulting from reliance on the App's data
